Review: This is a beautifully illustrated book of the classic tale. I bought it to accompany the Leonard Bernstein CD that includes Peter And The Wolf along with other childrens classics. Im a retired high school teacher, and I refuse to get my grandchildren a video version of this story. Frankly, I think that kids get far too much video entertainment,...

Description: Sergei Prokofiev composed his Peter and the Wolf in 1936 with the hope of introducing children to the instruments of the orchestra. It happens that he also devised a wonderfully dramatic story. The characters - boy, bird, duck, cat, grandfather, wolf, hunters - and their doings have been beloved by young and old for decades. Writer, artist, musician,...
